for you
and your loved ones.

None of us like to dwell on the inevitable. But equally, none of us would want to leave our loved ones worrying about what sort of funeral we'd have wanted - and how they were going to pay for it.

Credit Agricole has designed a new policy called **"Garantie Obsèques"** which will meet both these requirements.

It will enable you to be sure that your funeral expenses are met and that your wishes are carried out for the ceremony of your choice. Assistance is provided for you to set up the contract and later for your loved ones when the time comes.

Credit Agricole remains your partner throughout your life, in happy and sad times.

Financing your funeral expenses

→ Build up the required capital at your own pace...
Upon subscription, you will choose an amount between 2500€ and 10 000€ with the purpose of financing your funeral expenses.

Two options are available :

- A single lump sum payment at the time of subscription
- Premium by instalments scheduled over 5 or 10 years (monthly, quarterly or annually)

The payments are calculated according to your age when you start the policy and the guaranteed amount you have chosen.

→ When the time comes, there will be a guaranteed capital to finance your funeral expenses.

The payment will be made directly to the funeral director.

Benefit from advantageous conditions :

- Subscription possible between the ages of 50 and 85.
- No medical questionnaire required
- 10% discount on the second policy when you subscribe as a couple

The Funeral assistance

→ "Préviso assistance" a dedicated service

A team of experts are at your disposal :

- They will advise and help you to plan every detail (type of ceremony, last resting place).
- Your wishes will be registered and handed to your relatives when the time comes. But rest assured, you can make changes to your plan at any time.
- They will inform your family and provide them with thorough support in organising the ceremony.

→ Annual fee for the Préviso assistance service of 19.90€ (valid as of 01.05.07).

The reassurance that your last wishes will be respected...
